Welcome Back!

We look forward to having you back, whether you join us in our dining room or for takeout / curbside pickup. The safety and health of our guests and staff is of the utmost importance and to help ensure everyone’s well being, we have implemented the following measures.

What we ask of you, our guests:

Masks
Are required when entering beast + bottle for dine in or takeout. Please wear your mask until you get to your table and anytime you walk around the restaurant (including when you go to the restroom). We also require you guests to wear their masks anytime they are interacting with our staff, including being seated at the table.

This is for your safety and the safety of our team.

If you feel sick, please stay home
If you are not feeling well and are experiencing any of the following symptoms, please do NOT come in: cough, fever, muscle aches, loss of taste or smell, shortness of breath or sore throat. We will be happy to reschedule your reservation for another day when you are feeling 100%.

Make a reservation
While we are not requiring reservations, we do encourage them. We will have limited outdoor seating based on Colorado’s state guidelines, and are currently not seating indoors.

Use Contactless Payment
We encourage our guests to use contactless payment and we can process credit cards if you prefer. We will not be taking cash until further notice.

Wash your Hands
Please help us by washing your hands frequently. We also offer multiple hand sanitizing stations set up throughout the dining room.

Personal space
Please abide by the 6-feet Social Distancing guidelines throughout your dining experience. We have used floor markings to assist in high-traffic areas. We also ask that you are mindful and refrain from handshakes, fist bumps, hugging, and high fiving staff. We have missed you, too!

Party Size
The largest party size we will be able to accommodate is 5 persons. Please understand with limited seating and social distancing we just do not have the space.

What our team is doing to keep a safe dining experience:

While we have always followed the strictest cleaning and sanitization guidelines, we are adding some extra precautions.

Temperature Checks
Every day upon arrival, staff members have their temperature checked. Each member of the staff is also required to have a Wellness Check in with their Manager before starting work.
**Masks**
Our team is required to wear masks at all times while on shift and in the restaurant.

**Menus**
Our menus will be available through a QR code to view on your Smartphone. If you prefer a paper menu, we will have single-use menus available from the hosts

**Sanitization Captain**
On every shift, there is a team member that serves as the Sanitization Captain. They are responsible for sanitizing all areas of the restaurant, including tables, chairs, door handles, faucets, and more every 30 minutes.

**Frequent Handwashing**
Handwashing is mandatory and will be completed by team members frequently throughout each shift.

**Added Outdoor Dining**
We have worked with the City of Denver to expand our outdoor seating so our guests may dine outdoors.

If you have any questions, please feel free to reach out to us at info@beastandbottle.com

**HOUSE RULES**

1) Wear a mask anytime you’re not seated at your table
   - We also require wearing a mask when interacting with our all members of our staff

2) If you feel sick, please stay home

3) Upon arrival, wash your hands! Use hand sanitizer we have provided, too

4) Be respectful of social distancing
   - No mingling with other tables, please do not join other tables
   - No handshakes, hugging, high fives, etc.
   - Please do not crowd around the entrance/exit doors or bathrooms

5) Our Sanitization Captain is responsible for clearing dirty plate ware
   - Please move dirty plates to the end of your table for easy pickup by our team

6) Only one guest in the restroom at a time

7) Please use contactless payment, this eliminates handling of your personal items and touch points from us

8) Please follow the arrows for proper entrance and exit locations of our dining room

   We ask you follow these rules, or you will be asked to leave!
